

1. En la carpeta donde tenemos nuestro proyecto html si hemos modificado algo comenzaremos los pasos para actualizarlo en nuestro Github. En este caso hemos añadido un horario y un formulario.

	Nombre	Fecha de modificación	Tipo	Tamaño
	anexos	04/11/2024 16:07	Carpeta de archivos	
	css	04/11/2024 15:37	Carpeta de archivos	
	img	04/11/2024 15:37	Carpeta de archivos	
	index.html	30/10/2024 14:17	Chrome HTML Docu...	8 KB
	README.md	04/11/2024 15:37	Archivo de origen M...	1 KB

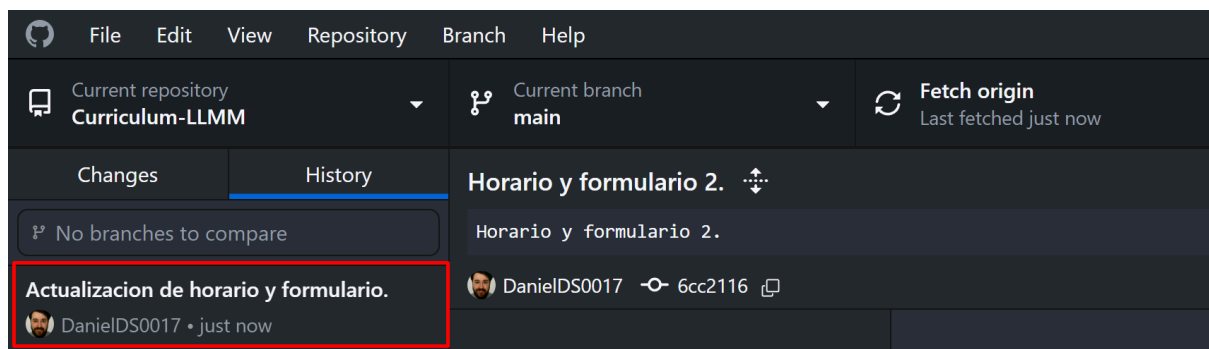

2. Al haber modificado nuestro proyecto html vamos a Github Desktop y vemos 2 cambios detectados en este caso han sido un anexo de formulario y el index.html.
Escribimos "Actualización de horario y formulario" y le damos a Commit to main.

3. Le damos a "Push origin" para subirlo a GitHub.

4. Como se aprecia en la captura se ha actualizado nuestro repositorio.

5. En nuestra página de Github vamos a repositorio actualizado, "settings", después vamos a "pages" y una vez allí vemos un link al que accederemos al proyecto html donde veremos que se agregaron correctamente las secciones actualizadas de horario y formulario.

The screenshot shows the GitHub repository page for 'Curriculum-LLMM'. At the top, there's a header with the repository name, a 'Public' badge, and buttons for 'Pin' and 'Unwatch'. Below this is a navigation bar with 'main' branch selected, '1 Branch', and 'Tags'. A search bar 'Go to file' and buttons 'Add file' and 'Code' are also present. The main content area shows a commit by 'DanielDS0017' titled 'Actualizacion de horario y formulario.' with a green checkmark, commit hash 'f314f72', and '11 Commits'. Below the commit is a table of files:

File	Commit Message	Time
anexos	Actualizacion de horario y formulario.	10 minutes ago
css	Restauración página repositorio	4 days ago
img	Restauración página repositorio	4 days ago
README.md	Initial commit	2 weeks ago
index.html	Actualizacion de horario y formulario.	10 minutes ago

Below the file list is a section for 'README' with an edit icon. The README content shows the title 'Curriculum-LLMM'.

The screenshot shows the 'General' settings page for the 'Curriculum-LLMM' repository. The left sidebar contains a navigation menu with categories: 'Access' (Collaborators, Moderation options), 'Code and automation' (Branches, Tags, Rules, Actions, Webhooks, Environments, Codespaces, Pages), 'Security' (Code security, Deploy keys, Secrets and variables), and 'Integrations' (GitHub Apps, Email notifications). The main content area is titled 'General' and includes the following sections:

- Repository name:** 'Curriculum-LLMM' with a 'Rename' button.
- Template repository:** A checkbox that is currently unchecked. Below it is a link: 'Learn more about template repositories.'
- Require contributors to sign off on web-based commits:** A checkbox that is currently unchecked. Below it is a link: 'Learn more about signing off on commits.'
- Default branch:** A section with the text: 'The default branch is considered the "base" branch in your repository, against which all pull requests and code commits are automatically made, unless you specify a different branch.' Below this is a text input field containing 'main' and an 'Edit' button.
- Social preview:** A section with the text: 'Upload an image to customize your repository's social media preview. Images should be at least 640x320px (1280x640px for best display).' Below this is a link: 'Download template' and an 'Edit' button.
